We make no allusion here to the smug gling of other of these altered tickets into the hands of Republicans, who were thus cheated into voting for this editor of the Register when they supposed they were voting for HERVEY, because it doesn't exactly apply to the case in hand. We only wanted to refresh the fatigued memory of our illustrious cotemporary.

How does it come that there are no so diers upon the ticket nominated by "the INTELLIGENCER ring."-Register.

Was not that man a soldier who cut off the retreat of Bill Harris, at the time of the Jail escapade, and was there ever a liveller engagement, unless it was the battle of Grave Creek? The reason for nominating R. G. This is all very well, but it would be prudent to keep open the back door, lest there be another raid by the Charleston police.

To james Maxwell and Henry B. Miller. The Board of Education, at its meeting tonight, will have under consideration the matter of the division of the school fund; and the present members of the Board will put themselves on the record either for or against it. You are candidates for positions in the Board for the next three years, and before the people vote for or against you, will you let them know how you stand in relation to a division of the school fund? Are you in favor of giving a part of the school funds to the Catholic Church, to pay Catholic teachers to teach Catholic children in Catholic schools, separate and apart from the public schools. A SCHOOL MAN. To Messrs. Wheat, Devenport & Miller: GENTLEMEN:—If elected to represent Ohlo County in the Convention, will you advocate and vote for a fair and Just ap-portionment of the school lund? i.e., will portionment of the school fund? f. e. will you advocate a constitutional provision, allowing the money raised by taxation from members of the Roman Catholic Church, to be appropriated to the sup-port of the Roman Catholic Schools and none others?

We present Mr. Campbell's views as eminently worthy of the highest consideration. He is a man from whom we in his hand, and going up and down Market Street, presented them careful opinion upon this subject. And to Republicans who he thought felt while we are sure he has stated the quesfriendly to him, and asked them to vote tion clearly and with judgment, we are for him? SHOULD WE VOTE FOR J. W. GALLAHER.

In answering this very important ques-tion, it will be necessary to examine his record for the past few years, and in do-ing this, we speak of him not as a citi-zen, nor as a man and neighbor, but as the candidate of the Democratic party, and to a certain extent as the exponent
